

BlueHat Survey Completion Give-Away Rules

As part of the Microsoft BlueHat BlueHat v17 Conference, **Microsoft will conduct a give-away of prizes** described in the prizes section below. A reconciliation of attendees and end of event survey completions will occur to determine eligible participants. Any duplications will be removed as only one entry per person is allowed. A **random drawing by a disinterested party will occur based the list of eligible personnel who have submitted their end of event surveys by Midnight on 11/12/2017** . All decisions regarding winners by the event organizers are final.

Prizes: As part of the BlueHat Conference, Microsoft will select one individual to receive a Microsoft Xbox One valued at \$399 and 20 individuals to receive a Starbucks gift card valued at \$10 each.

Eligibility: The give-away is open to all the BlueHat attendees (to External attendees, Microsoft FTEs and Interns, and Contingent Staff) who attend the conference either in person or via Live Streaming, and COMPLETE the End of Day Surveys. Personnel who are unable to attend due to technical issues, geography, or other events that prohibit attendance are not eligible. Additionally, personnel who view only the On-Demand videos after the event and event organizers are not eligible.

Any questions regarding this give-away should be sent to bluehat@microsoft.com
